Registered Charity No 1085662

The PKD charity is a UK-based charity dedicated to the concerns of people affected by Polycystic Kidney Disease. We aim to support families who live with Polycystic Kidney Disease, and to provide information and advice to them and their healthcare professionals. We will fund the research that provides better treatments and continues to search for a cure.

We, the undersigned, agree to sponsor ……

to raise money for The Polycystic Kidney Disease Charity.

Gift Aid is invaluable to the fund. If you are a UK taxpayer and pay Income or Capital Gains Tax on wages, savings or pensions, the fund can reclaim 28p in every pound of your donation from the Inland Revenue **at no additional cost to you**.

All we need is your full name, address (including postcode) and a tick in the Gift Aid column. This information will only be used to reclaim tax from the Inland Revenue. Your personal data will not be sold or otherwise passed onto any third party.
